

I. READING

Kate hasn't got many soft toys in her collection, but all her toys are very nice. Her polar bear is sweet. It is white with small black eyes. Look at the tiger. It's beautiful. It has got a long brown and orange body and big black eyes. The donkey is great. It has got long grey ears and a beautiful smile. Her green crocodile is a bit scary. It has got a very big mouth with long white teeth. The brown monkey is very old. It hasn't got one ear, but Kate likes it. Her favourite soft toy is her teddy bear. It's brown with small brown eyes and a black nose. It's got a pink hat. Kate's polar bear is under the table now. The crocodile is on the chair. Her donkey and teddy bear are on the bed. The tiger is in the box under the desk. The monkey is on the desk.
