

I. READING

Paella is a famous Spanish dish. It's rice with chicken and fish. It's very tasty. Tapas are also very popular in Spain. They are snacks – small dishes served between meals. They are warm or cold. They are delicious.

Scottish people like fish and chips very much. It's great and easy to cook. Peel and cut some potatoes. Fry the potatoes and some fish. Serve with some salt and salad.

Pizza and pasta are from Italy but they are popular around the world. Spaghetti with tomato sauce is very tasty. Boil spaghetti for a few minutes. Put it on a plate, put some sauce and some cheese on top. Eat with a spoon and fork.

People in many countries like chicken, fish, pasta or chips. But in some countries you can try very unusual dishes.

France is famous for croissants and pancakes, but also for snails. In Asia, people eat many different things. Rice, vegetables, seafood and soups are very popular. But they also eat insects. You can buy fried grasshoppers at the markets. People in South America also eat insects. You can buy popcorn with roasted ants or ants in chocolate.

Scientists say that insects are very healthy.
