

I. READING

Text A.

Hi Ann,
Sorry for the late reply. Well, to answer your question, the make of the TV we bought is Sony. We've had it for six months now and so far it hasn't had any problems. The only thing is that the size of the screen is a bit small.
So, if I were you, I'd get the 40 inch instead of the 26 inch. We bought it at Harry's Electrics, an electrical shop in Jersey Street, but you might find a better deal elsewhere or online. I hope that helps. Let me know what you decide in the end.
All the best,
Chris

Text B.

Charlie, could you buy a few things in town? I need a kilo of minced beef, a loaf of bread, a packet of butter and some treats for the cat. Get the minced beef first because the butcher's closes early. I think the supermarket is open until 9. Oh, and you don't need to collect my dress from the laundrette; it won't be ready until tomorrow.

GREAT OUTDOORS

The summer is finally here, so it's time to get outside and enjoy the nice weather!
But do you have all the equipment you need for your outdoor adventures this summer?
Great Outdoors is the biggest and best camping and outdoor equipment shop in the city. And for one week only, all our tents are half-price! Check out our five-man family tents starting from just £50! We also have huge discounts on outdoor wear and cycling accessories.

Text D.

Hi Jason,
I dropped the package off at the post office. It cost £6.50 to send because it was quite heavy. They said it won't get there until Thursday as it's a public holiday in the USA on Wednesday. So it will definitely reach your cousin before her birthday on Saturday.
I hope to see you tomorrow afternoon.
Best wishes,
Peter
