#### Winter Adventure in Norway

This new tour takes you up to the far north of Norway, deep inside the Arctic Circle, to meet the Sami people and find out about their way of life. The Sami people live in four countries: Norway, Sweden, Finland and Russia. There are about 70,000 Sami in total with around 40,000 in Norway, 20,000 in Sweden, 6,000 in Finland and 2,000 in Russia.

The voyage begins in the port of Tromsø, in Norway. You travel from here to Karasjok in the heart of Norwegian Lapland, or Sapmi, as the Sami call it. The journey starts on board *The North Cape*, cruising along the wild and unspoilt coast to Kirkenes, which is located just 10 km from the Russian border, and continues by bus inland to Karasjok.

During our two-night stay in Karasjok you will visit the Sami Cultural Park to learn about the history and the future of the Sami and enjoy the rare opportunity to listen to the Sami traditional singing known as *Joik*. Also included is an evening walk wearing snow shoes in search of the Northern Lights. If the skies are clear there is a good chance you will be awarded with a spectacular display as waves of colour fill the night sky.

There will also be the chance to do some optional half-day trips (additional prices available on request):

- **Bathing in the Barents Sea**

Snowmobiles transport you to the Barents Sea, and with special survival suits to keep you warm, you can enjoy the unique experience of floating in the icy waters. Hot tea and a sauna are available after your swim.

- **Reindeer Sled Ride**

This magical experience is one you will never forget. The reindeer sled ride will take you along old Sami paths where you can enjoy the peace and silence of the ancient forest. Each sled takes two people and you can take it in turns to guide the reindeer.

- **Cross-country skiing**

This is the national sport of Norway and a wonderful way to experience the beauty of the landscape and get some exercise at the same time.

*Please note - these optional trips are only suitable for children of 12 years and over.*

On the final day you will travel by bus to Lakselv airport for your return flight home.
