

I. READING

There are a lot of amazing animals in Kenya – lions, zebras, giraffes, rhinos, antelope – but at the Sweetwaters Sanctuary you can see a very special animal. In fact, it's the only place in Kenya where you can see chimpanzees. It's open every day from 10 a.m. to 4.30 p.m. The chimps get up early in the morning, at 6.15 a.m. They have their breakfast at 7 a.m. They always eat bananas. They also sometimes have figs, peppers and eggs for breakfast. They sometimes even eat ants! After breakfast, visitors can come to the sanctuary to see the chimpanzees. During the day the chimpanzees play with each other. They have lunch at 1 p.m. They eat lots of fruit for lunch. After lunch, in the afternoon, they play games. The chimps like to climb trees. In the evening, they go into their houses. They go to sleep at about half past ten p.m.
